

Retail Sales Associate | Casual (Part-time)

Job Details

At Elevate Mountain Lifestyles we pride ourselves on growing a fun, positive, laid-back work environment where we support our customers' passion for outdoor and mountain adventures. Our customer community visits us from near and far as they love the Kootenay outdoors just as much as we do! You'll engage with people who are planning upcoming vacations, weekend getaways in the Kootenays, from first-time visitors to Creston to our local regular customers.

The Role

As an Elevate Sales Associate you'll share our welcoming, friendly and supportive culture by providing customer service to match people with quality apparel and gear that suit their needs. We would love you to share your special skills with us too, from support with social media to visual merchandising. If you have a passion for the outdoors, learning about gear and connecting with people, we want to meet you!

Duties include:

- Provide service in connecting customers with products
- Process sales transactions
- Inventory management
- Merchandising of sales floor
- Opening/closing store

You might be who we're looking for if:

- You're passionate about the outdoors and have personal experience and product knowledge with outdoor activities.
- Customer service is your mindset. You'll go out of your way to provide an excellent customer experience.
- You want to connect people with quality products to encourage active outdoor lives.
- Your skill set includes personal integrity, attention to detail and customer focus oriented, effective communicator, teamwork and the ability to develop yourself and others.
- You have a good natured, outgoing welcoming vibe and genuinely like helping people.
- You can lift 50 lb. and be able to stand and walk during shift.
- Previous retail or customer service experience is a plus, not a must.
- You want to learn – we'll provide training to build your skills and product knowledge

Availability

- Work a variety of part-time shifts Monday to Saturday

Elevate Extras

- Store discounts
- Promo deals
- Product Training
- Flexible schedule with work/life balance!
